

JONATHAN EDWARDS
WINERY

Sonoma County Stone Table White

Vineyard

Sonoma, California and North Stonington, Connecticut. Two wonderful growing regions are brought together in this lovely wine.

Production

Our only bi-coastal wine blends 75% Sonoma County Pinot Grigio with 15% Estate Connecticut Chardonnay and 10% Napa Valley Sauvignon Blanc. The bright tropical fruit of the Pinot Grigio marries well with the green apple flavor of the Chardonnay. The toasted vanilla from the barrel aging of the Chardonnay adds a subtle nuance to the finish.

Tasting Notes

A bright crisp white blend of Pinot Grigio, Chardonnay and Sauvignon Blanc.
